

## **HEALTH AND SAFETY POLICY STATEMENT**

Able Canopies Ltd is committed to ensuring, so far as is reasonably practicable, the health, safety and welfare of our employees while at work and of others who may be affected by our activities. This general policy statement outlines our commitment to comply with the Health and Safety at Work etc. Act 1974 and all other relevant health & safety legislation.

The company recognises that managing health and safety is a key part of our business performance and integral to our values and operations.

To ensure the principles of health and safety are clearly understood and consistently applied throughout the Company, we will be committed to:

- **Complying** with applicable health and safety legislation, voluntary programmes, collective agreements and other requirements to which the Company subscribes.
- **Setting, monitoring and reviewing** health and safety objectives and performance targets.
- **Clearly communicating** and consulting on health and safety matters with all employees and relevant parties;
- **Assessing risks** to the health and safety of our employees and others who may be affected by our activities and implementing proportionate control measures to minimise those risks;
- **Preventing work-related injury, ill health, disease and incidents** through proactive measure and a positive safety culture.
- **Providing and maintaining safe plant and equipment** and ensuring safe systems of work are established and followed;
- **Ensuring the safe use, handling, storage and transport** of substances and materials;
- **Maintaining a safe working environment** with suitable access, egress and welfare facilities;
- **Providing appropriate training and development** for all employees, including temporary and new staff to ensure their competent in their roles;
- **Delivering adequate information, instruction and supervision** to enable all employees to work safely.
- **Promoting continual improvement** in the effectiveness of our health and safety management systems;
- **Providing adequate resources** in terms of finance, time, personnel and equipment, to maintain high standards of health and safety;
- **Seeking competent advice** where necessary to supplement internal expertise;
- **Annually reviewing** this policy and updating it as needed to reflect changes in operations, legislation or organisational structure;
- **Making this policy available** to all employees and relevant external parties, as appropriate.
